

NE Tracks LLEN connects students, schools and families with diverse Work Based Learning options and opportunities as students develop career pathways and explore the world of work.

NE Tracks LLEN delivers the School to Work Program (STW) for Secondary Schools through the Benalla, Wangaratta and Mansfield local government areas. We connect schools and industry to create work-based learning opportunities that meet the needs of local students and employers.

Our team works closely with host employers supporting work readiness activities building student capacity including:

- Mock interviews
- Resume building
- Networking
- Career pathway exploration
- Career events and workshops

Work Based Learning includes:

- Work Experience (WEx)
- Structured Workplace Learning (SWL)
- School-Based Apprenticeships and Traineeships (SBATs)
- Vocational Education and Training (VET) programs

The Work Based Learning Program is part of the School to Work Program, a Department of Education initiative, designed to increase opportunities for young people aged 15–19 years of age to improve their skills and workplace knowledge through ‘on the job’ experience via Work Experience, Structured Workplace Learning (SWL) and School Based Apprenticeships/Traineeships (SBATs).

Benefits for young people

- More 15–19 year olds gain work-based learning experience
- Real insight into workplaces and employer expectations
- Supervised, hands-on learning with industry mentors
- Skills and outcomes assessed in real work settings

Benefits for industry

- Shape programs to meet local workforce needs
- Highlight workplace and employment opportunities
- Influence future skills development and training focus
- Support industries with strong vocational pathways

Our Focus and Objectives

- Increase youth participation in WEx, SWL, and SBAT placements in industries with strong vocational outcomes
- Strengthen alignment between VET programs and local industry needs
- Expand access to workplace learning for all young people
- Enhance VDSS quality through real work-based assessment opportunities
- Build a sustainable bank of ongoing placements
- Improve alignment between VET options and effective student pathways
